

Dear UPMC for Life Member,

We understand that losing your insurance coverage can be stressful. At **Laurel Eye Clinic**, our priority is ensuring that you continue to receive the care you need without unnecessary disruption. This handout is designed to inform you of the Medicare plans Laurel Eye Clinic currently participates with.

Benefits may vary depending on your personal history and the plan you choose. There are 2 benefit segments that apply to services provided at Laurel Eye Clinic:

Medical: Exams for medical issues such as cataracts, diabetes, glaucoma, etc.

Vision: Exams for healthy eyes and coverage for glasses and/or contact lenses
